***Reasons for Allowance***

1. In response to amendment filed on 7 September 2004, the amendment to the specification and claims is accepted.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: Claims 1-27 are allowed, in view of arguments presented in amendment <sup>on</sup> page 15 lines 8-20, that the reference is <sup>gr</sup> incapable of properly directing packets using a protocol that is unsupported, the reference does not at all define a generalized port number in the manner disclosed and used in the present application, as a port number that can be used by an unsupported protocol and which has a location not known a priori/ by the router in each packet, the location comprising an indication of a bit position within a packet of where the GPN begins and a length of the GPN, as each of applicants' independent claims requires.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
